
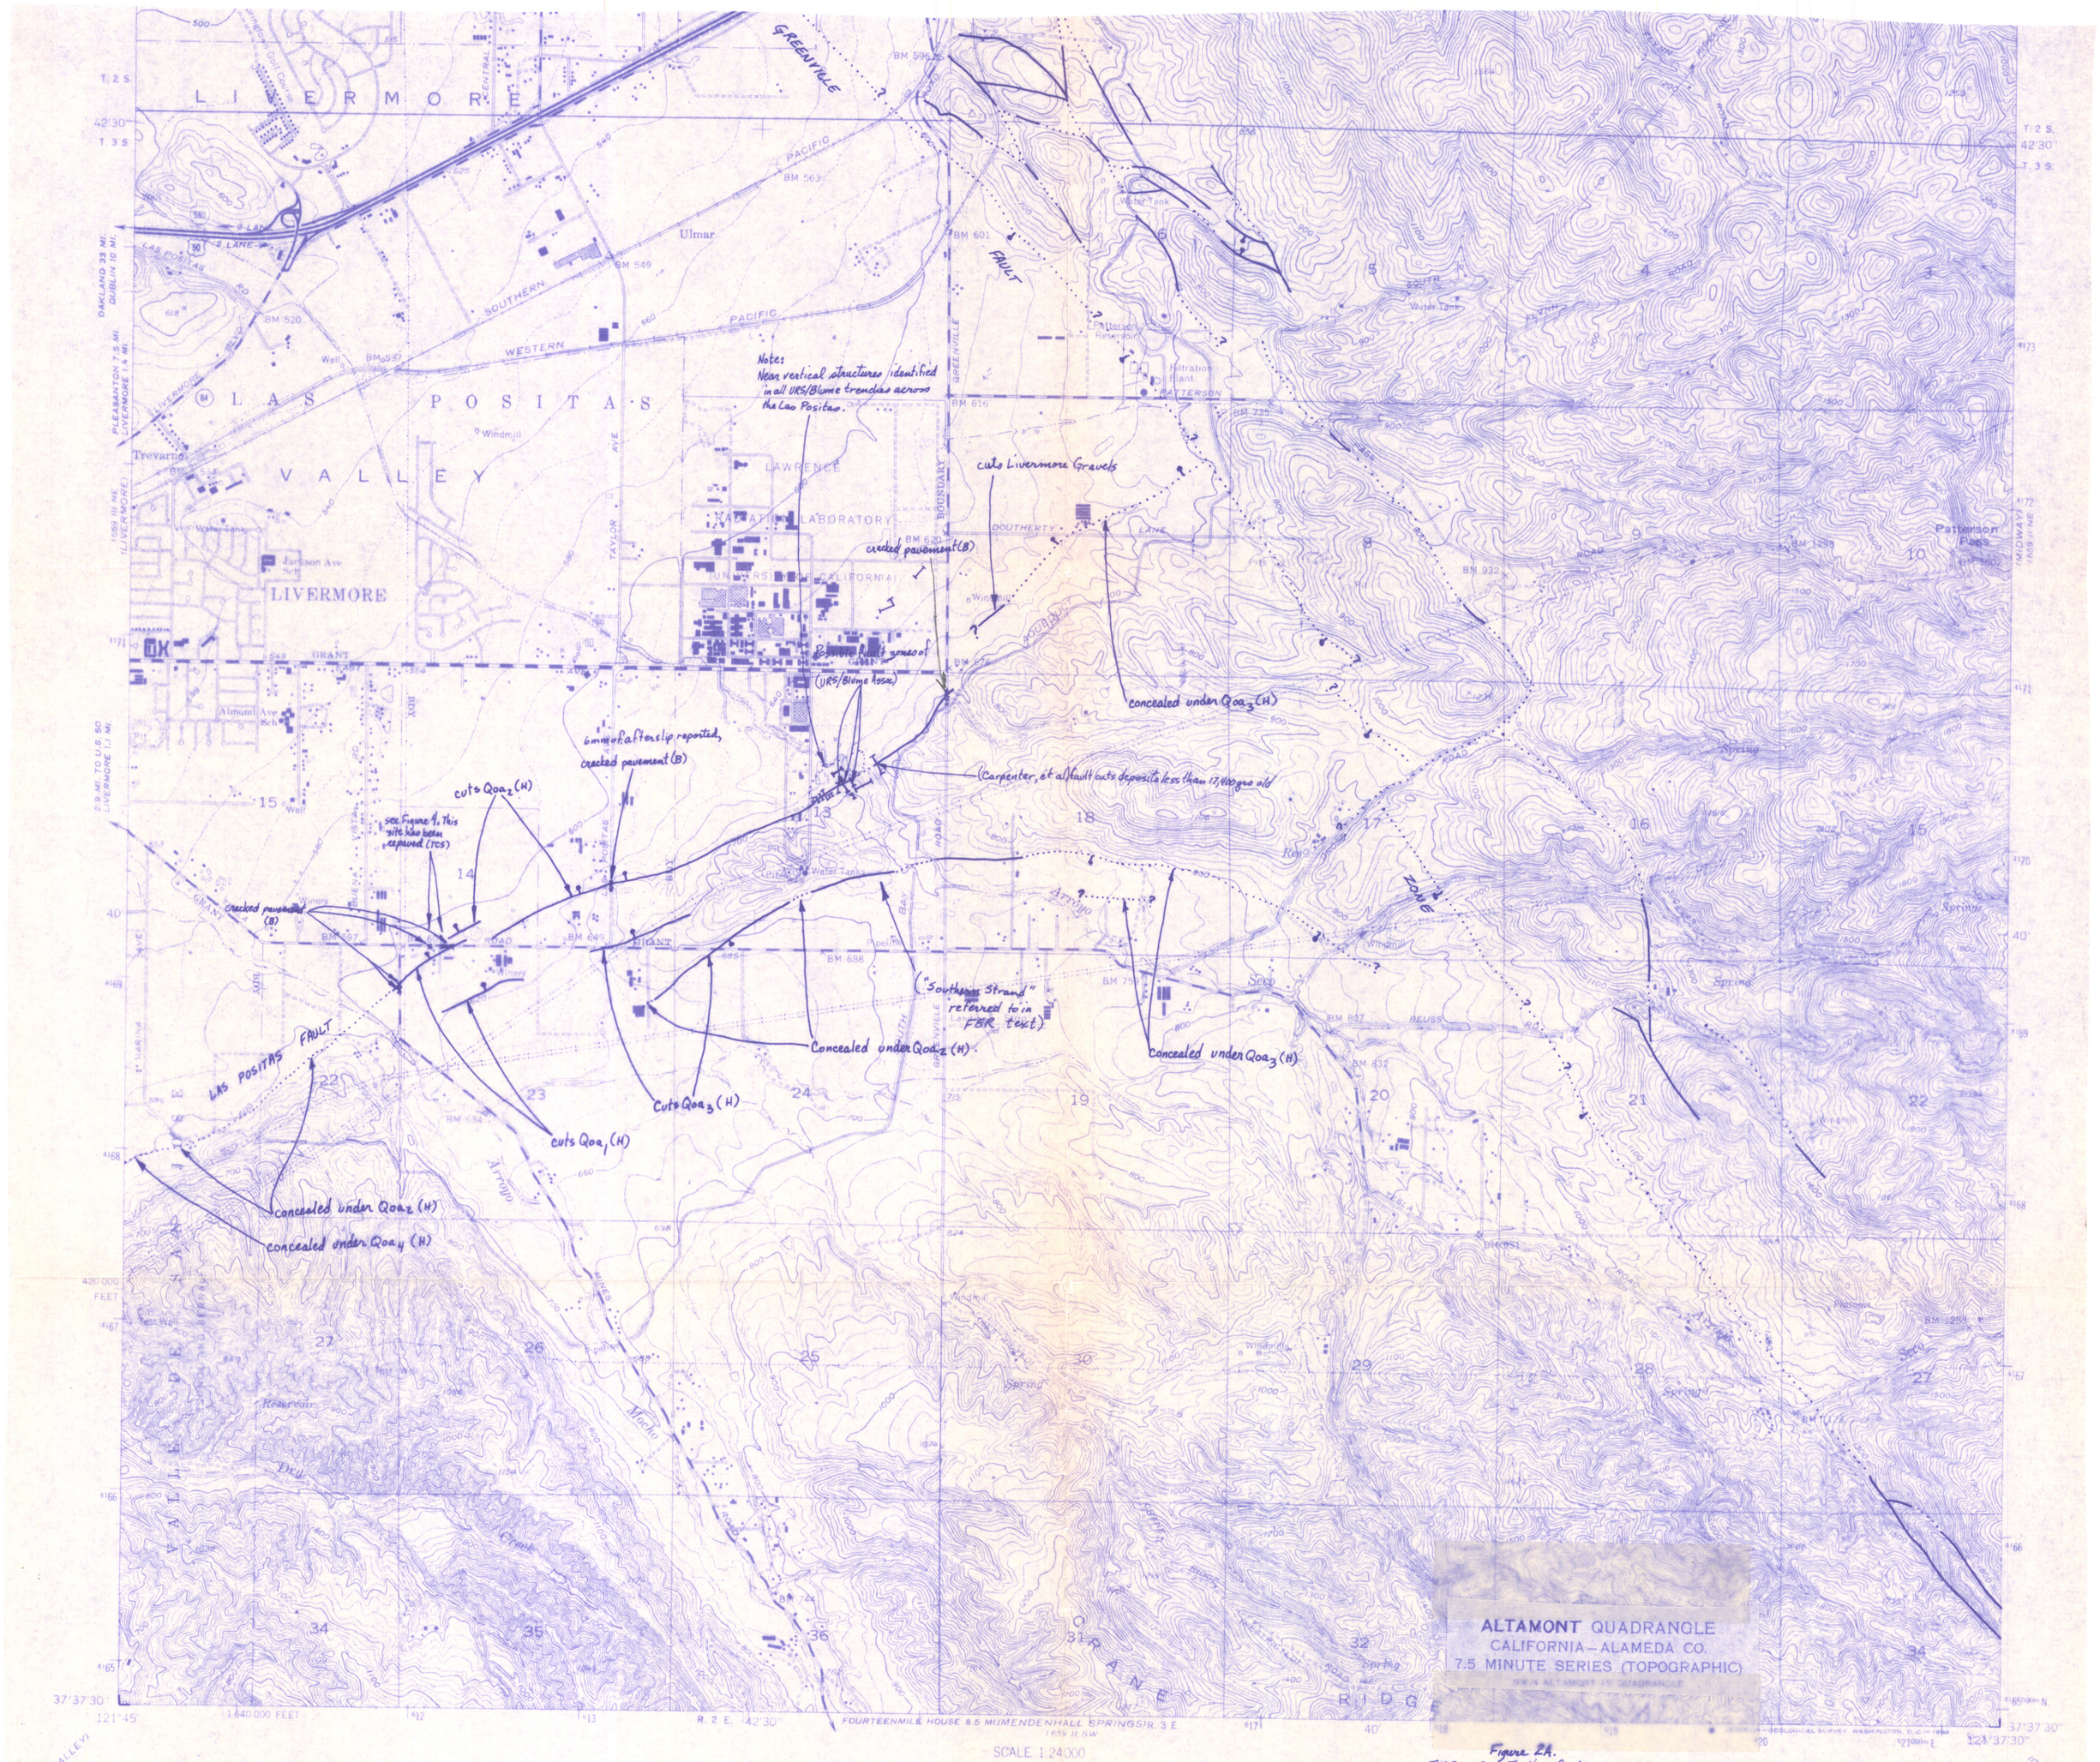

Figure 2A.
FER 112. Faults of the Las Positas and Greenville zones as mapped by Herd (1977), with additional notations.

⊢⊣ = approximate location of trench
(H) = derived from Herd's map
↓ = ball on apparent downthrown side
(B) = from Bonilla, et al (1980)
× = cracks in pavement observed after Jan, 1980, earthquake
