
FER-150. Figure 2E. Faults mapped by other investigators, Eagle Rest Peak quadrangle. Note: Data along the San Andreas fault is shown on Figure 4.

Key to Letter Symbols

- □ = Age of unit cut by fault
- ○ = Age of unit not cut by fault
- H = Holocene
- L = Late Quaternary
- P = Pleistocene
- Q = Quaternary (undifferentiated)
- T = Tertiary

Sources of Data

- = Hoots (1930)
- = McGill (1951)
- = Dibblee (1973d)
- = Davis (1983); precise location difficult to plot from data source
